

Application for Development Approval

30/1/23

Att – DPLH

Proposed description – Proposed Tractor shed

Property address – 616 Great Northern Highway Herne Hill

This application is for a proposed tractor shed . The purpose of the shed is to house tractors, attachments, machinery and equipment for the maintenance of the land, existing vineyards and creating new vineyards.

The material for proposed storage shed is Colourbond Monument to compliment the original brick shed and blend in with the surroundings.

Yours sincerely,

Adriano Petagna
